

19th March 2018

Good Afternoon Parents & Guardians

This month on Thursday March 29th the last day of school, the school will be hosting its Family fun day for everyone to enjoy. Parents, Grandparents and friends are encouraged to come along and enjoy the day with your children.

The P & C Association will be holding a Fundraising BBQ for all the parents / family members, students and teachers due to the tuckshop being closed.

There will be food and drinks on sale on the day to buy along with pre-orders with all funds raised going towards getting new sports uniforms for the interschool sports teams for the start of term 4.

However ideally we would like to get some sort of numbers for catering purposes to help us in buying the correct amounts of food & drinks so therefore if you know you are going to come along on the day and would like to place an order please fill out the attached order form below and return with the money so we have an idea on catering the event.
